CLUB CHRISTMAS PARTY

The Club Christmas Party was held at
Marvin and Dianne 's beautiful new

home overlooking Lake Hamilton.

Marvin was nice enough to take us to his “Man Cave” and show off his collection of bikes (21) Marvin has a Mercedes Benz with a 350 Chevy in it he is trying to sell. If you want a Hot Rod now is your chance!

33 members attended the party and we had more food than we could eat.

Sam Gregory entertained us with music he sang with a karaoke machine! Some of which I never heard before. We also had two guests which are members of Sam’s class. Sam teaches advanced motorcycle mechanics at Pulaski Technical College. If you want to learn how to work on your bike he is the man to see! If you are over 60 the course, \$4000.00 is FREE!
